are CCI Certified

ELIGIBILITY REQUIREMENTS

- Have a master's or higher degree in nursing or related field or the demonstrated equivalent from another country. If the graduate degree is in a related field, the baccalaureate degree must be in nursing.
- Current, unrestricted RN and hold an accredited certification in Nursing Professional Development (NPD) demonstrating entry level NPD knowledge and skills.
- Have a minimum of 4,000 hours of active practice at the nursing professional development specialist level in the last 5 years. NPD practice settings include any practice or learning environment.

PROFESSIONAL PORTFOLIO

Applicants will submit a portfolio that contains their three exemplars and three responsibility activity tables utilizing a unique project or activity for each submission:

3 Exemplars

Three exemplars demonstrating advanced NPD practice within the past five years, each exemplar must cover one of the six NPD responsibility

3 Responsibility Activity Tables

Three responsibility activity tables providing evidence demonstrating advanced NPD practice in each of the responsibilities not covered in the required exemplars

RECERTIFICATION STEPS

RECERTIFICATION OPTIONS

1 Professional Portfolio | \$375

Earn your recertification by submitting a new completed professional portfolio as required for the initial NPDA-BC certification.

EARLY-BIRD DISCOUNT \$330
Recertify before June 30 to receive \$45 off the standard fee

2 Professional Activity Points | \$350 Requirement: 300 points

A required component is completion of an activity table representing all six responsibilities which is worth 100 points. An additional 200 points is required using any of the available recertification professional activity points methods.

EARLY-BIRD DISCOUNT \$305
Recertify before June 30 to receive \$45 off the standard fee

3 NPDA-BC Emeritus | \$175

Retiring or ineligible perioperative nurses may preserve their NPDA-BC credential with a one-time fee for Emeritus Status. Emeritus Status entitles the nurse to use the designation NPDA-BC(E).
