## 11) Start

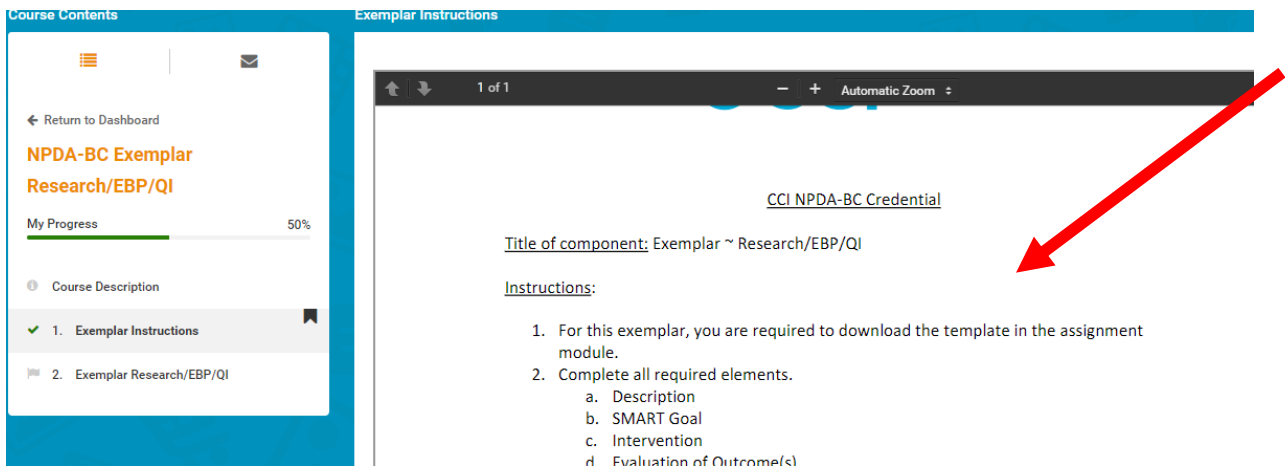

The screenshot shows the course interface for "NPDA-BC Exemplar Research/EBP/QI". The "Start" button in the top right corner is circled in red. The "Course Contents" sidebar on the left shows "My Progress" at 0% and lists "1. Exemplar Instructions" and "2. Exemplar Research/EBP/QI". The "Description" panel on the right contains the following text:

This responsibility requires NPD practitioners to promote and integrate the science of the NPD specialty to continuously improve their practice through the promotion of research, EBP, and QI in patient care settings. NPD practitioners may conduct, encourage, facilitate, and participate in research, EBP, and QI including dissemination of findings.
